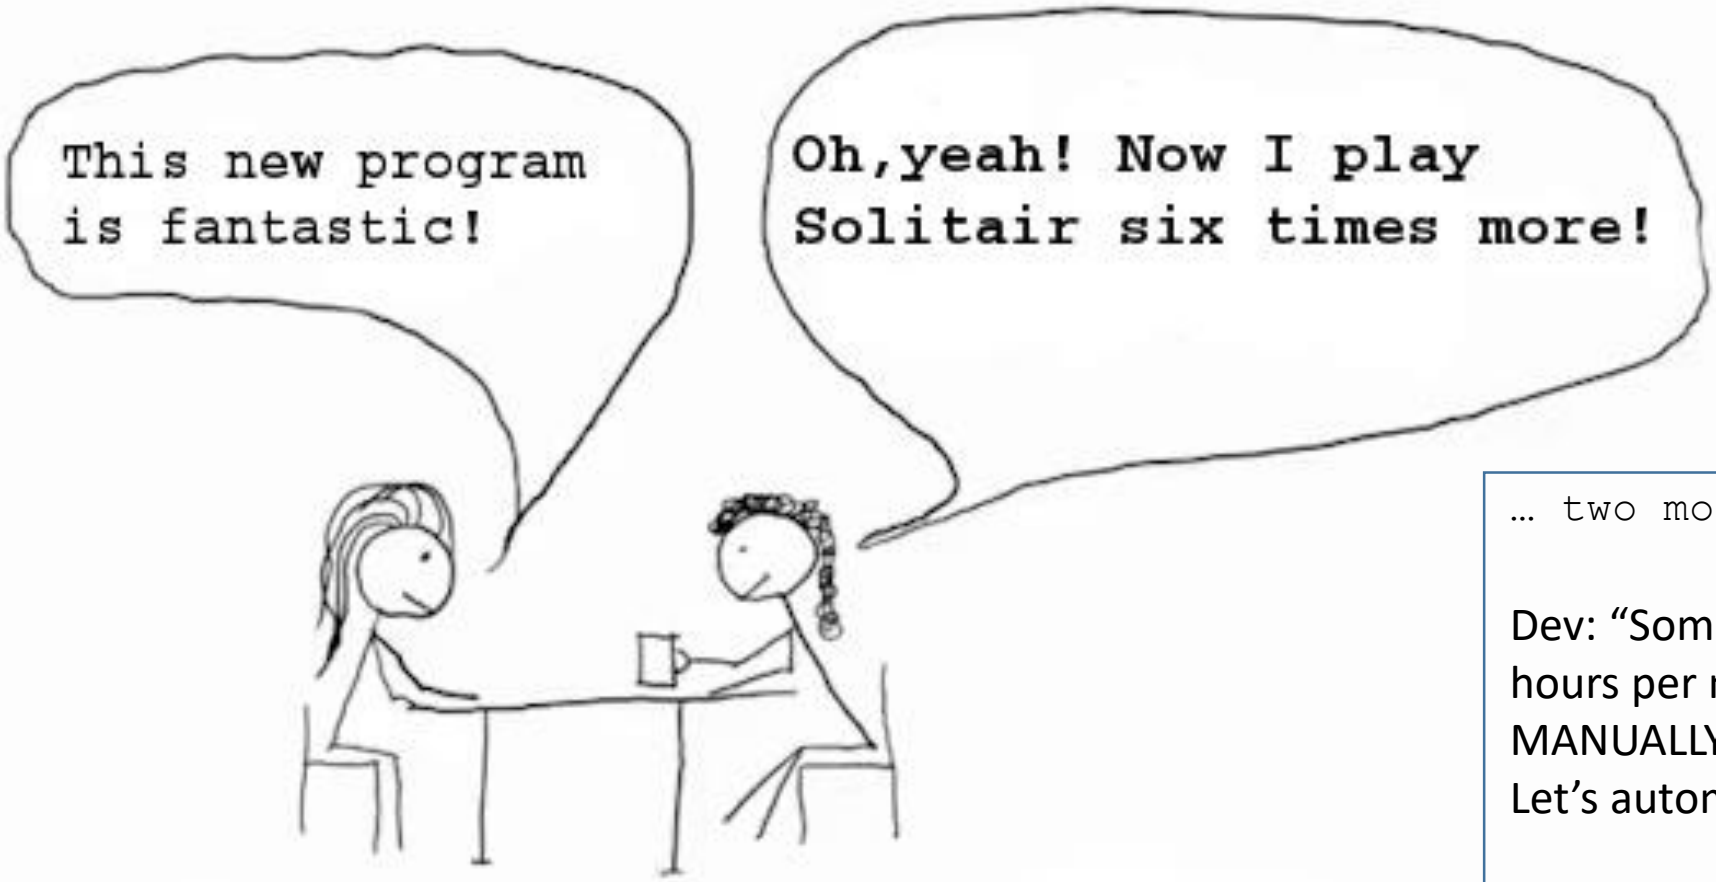
Example

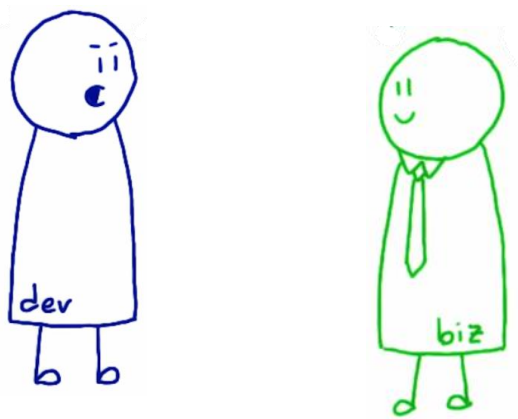
- Right automatization
  - By Max Dorofeev

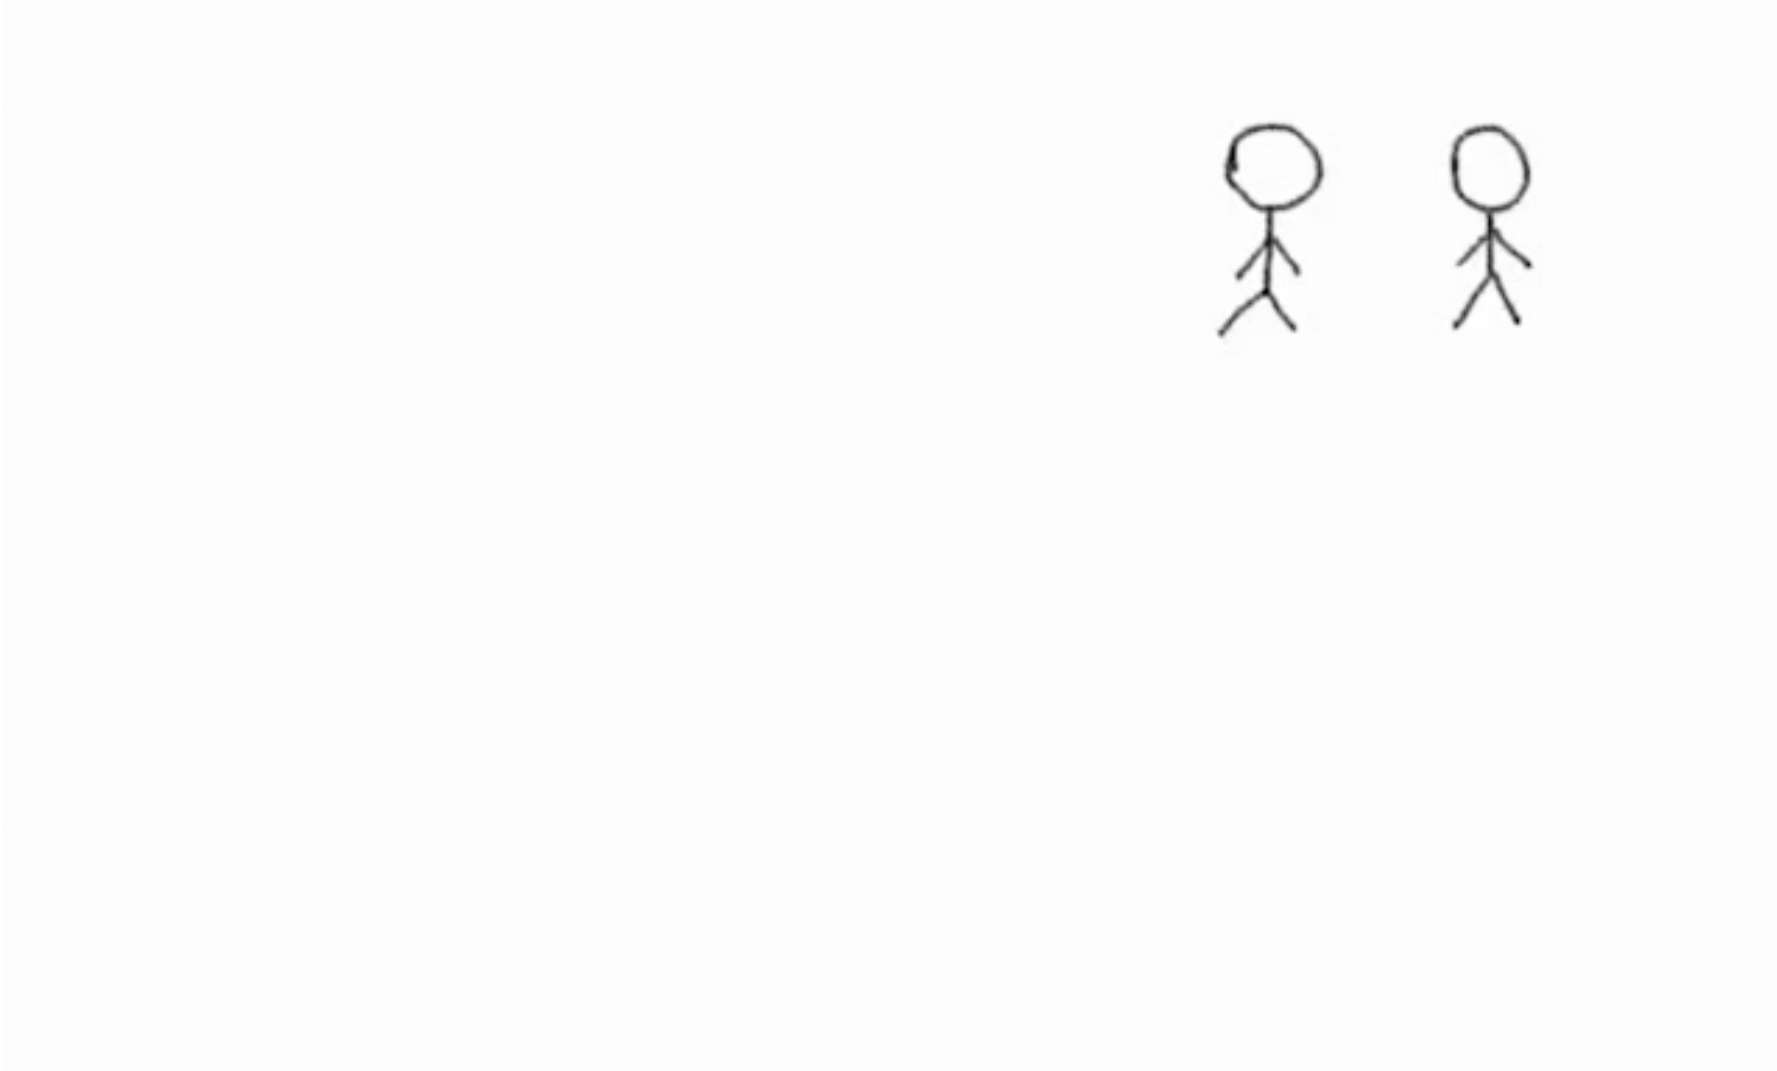
https://youtu.be/XDF02KmgJFE?t=1h6m26s



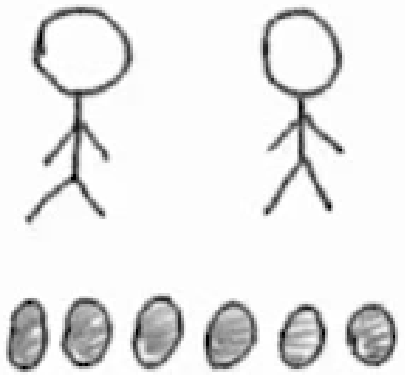
… two months before.

Dev: “Some workers spend around 40 hours per month to make reports MANUALLY.
Let’s automate it to save their time!”

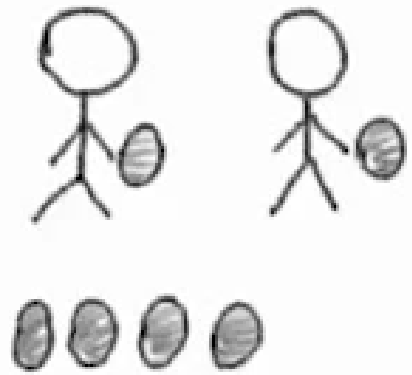




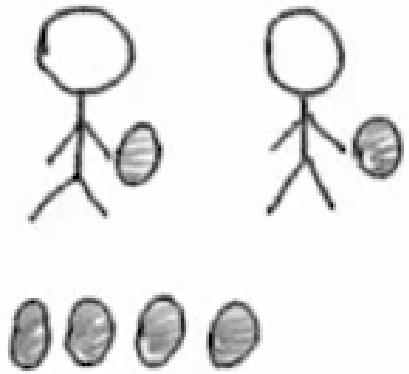
Extra simple business process example.
We have organization of two humans …



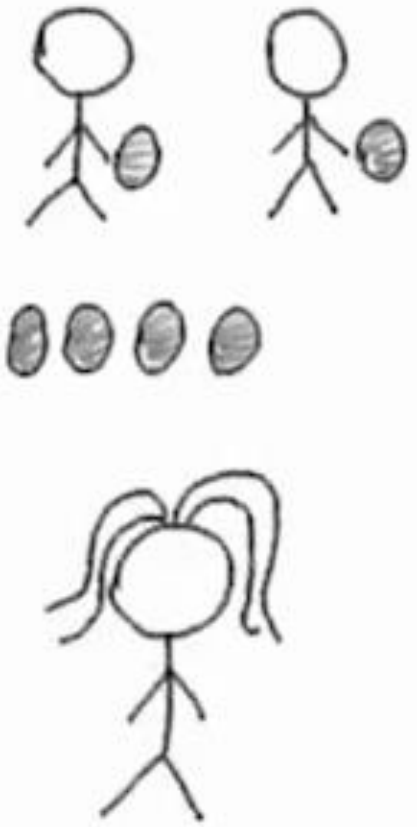
… and they dig potatoes …

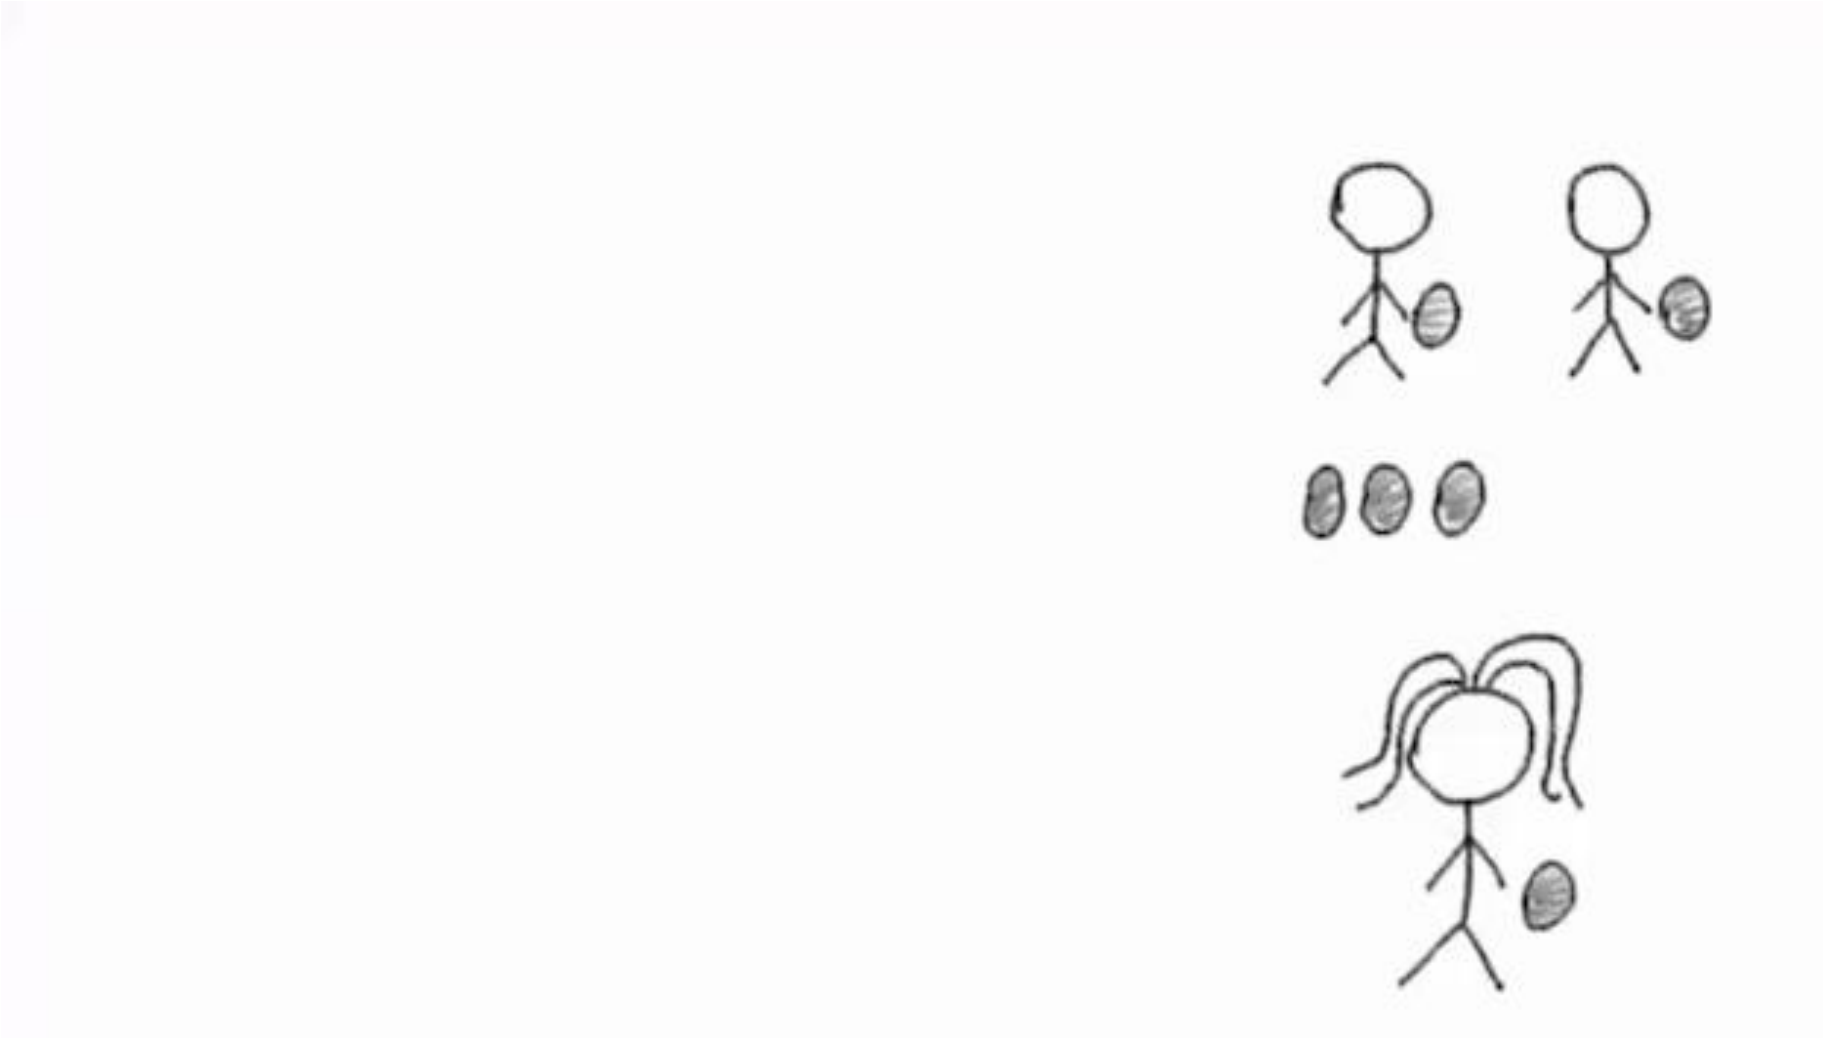


It is necessary to pass report!

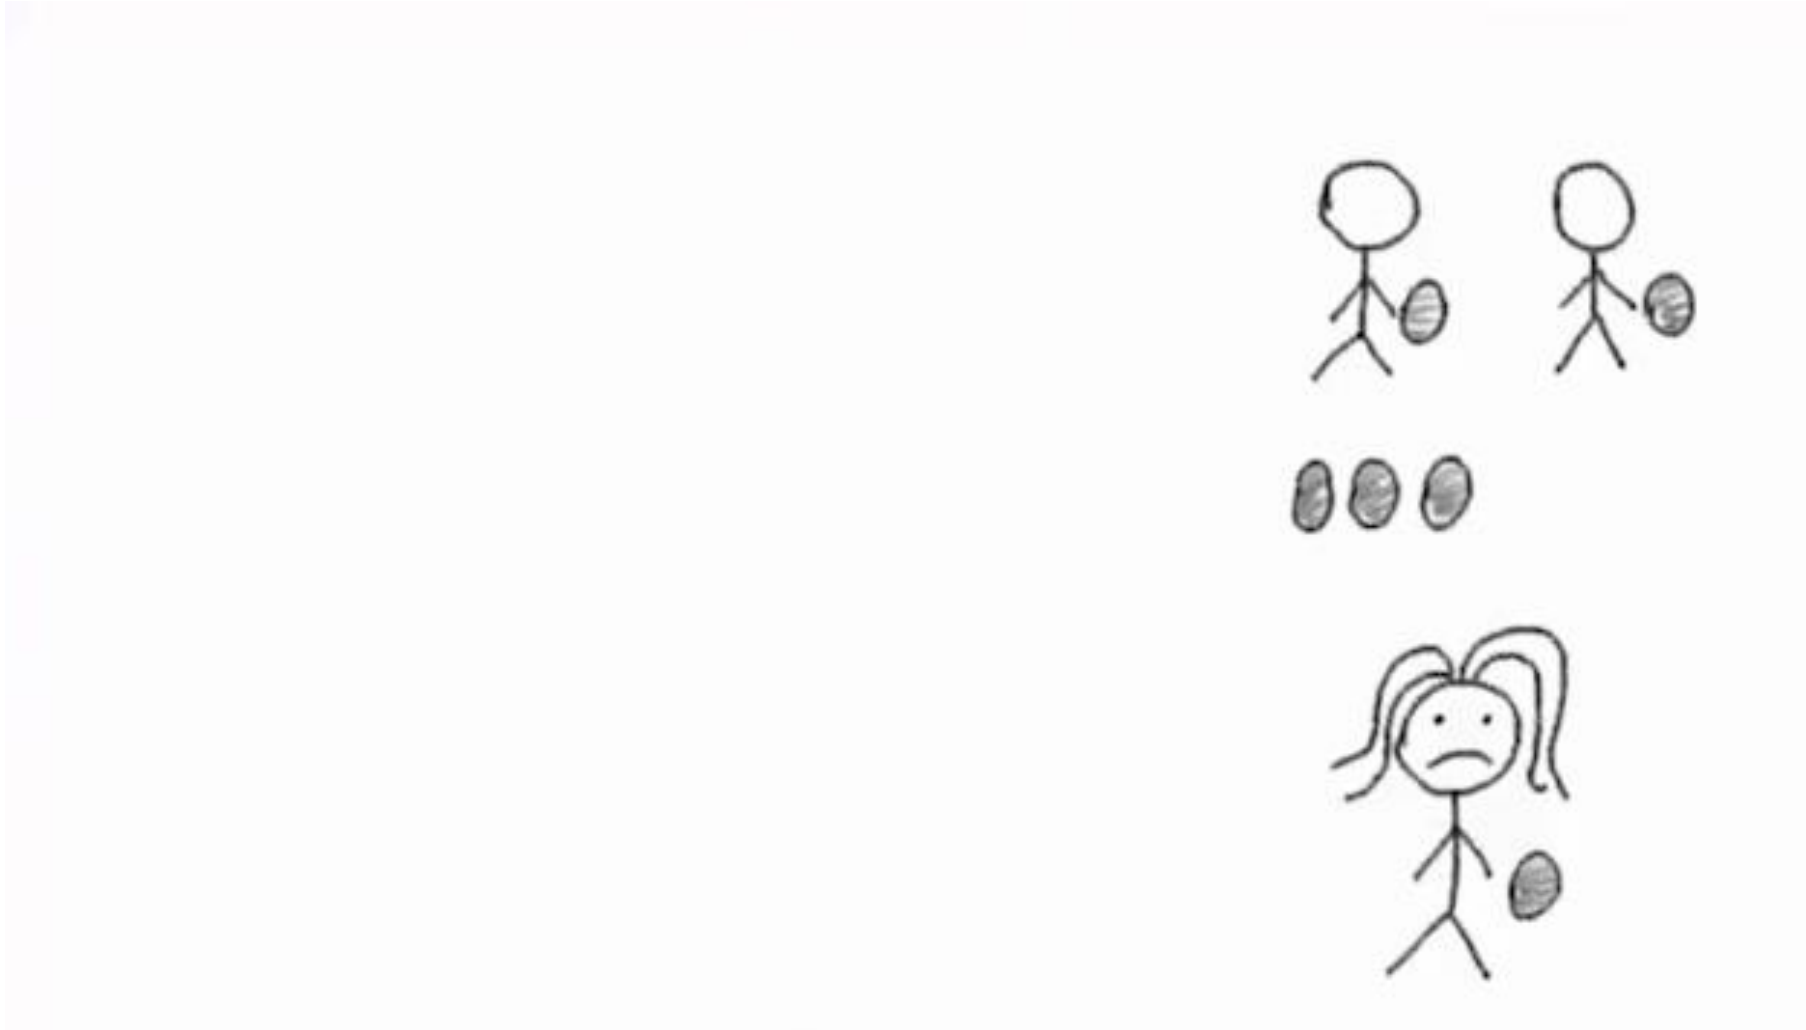


It is necessary to pass report!

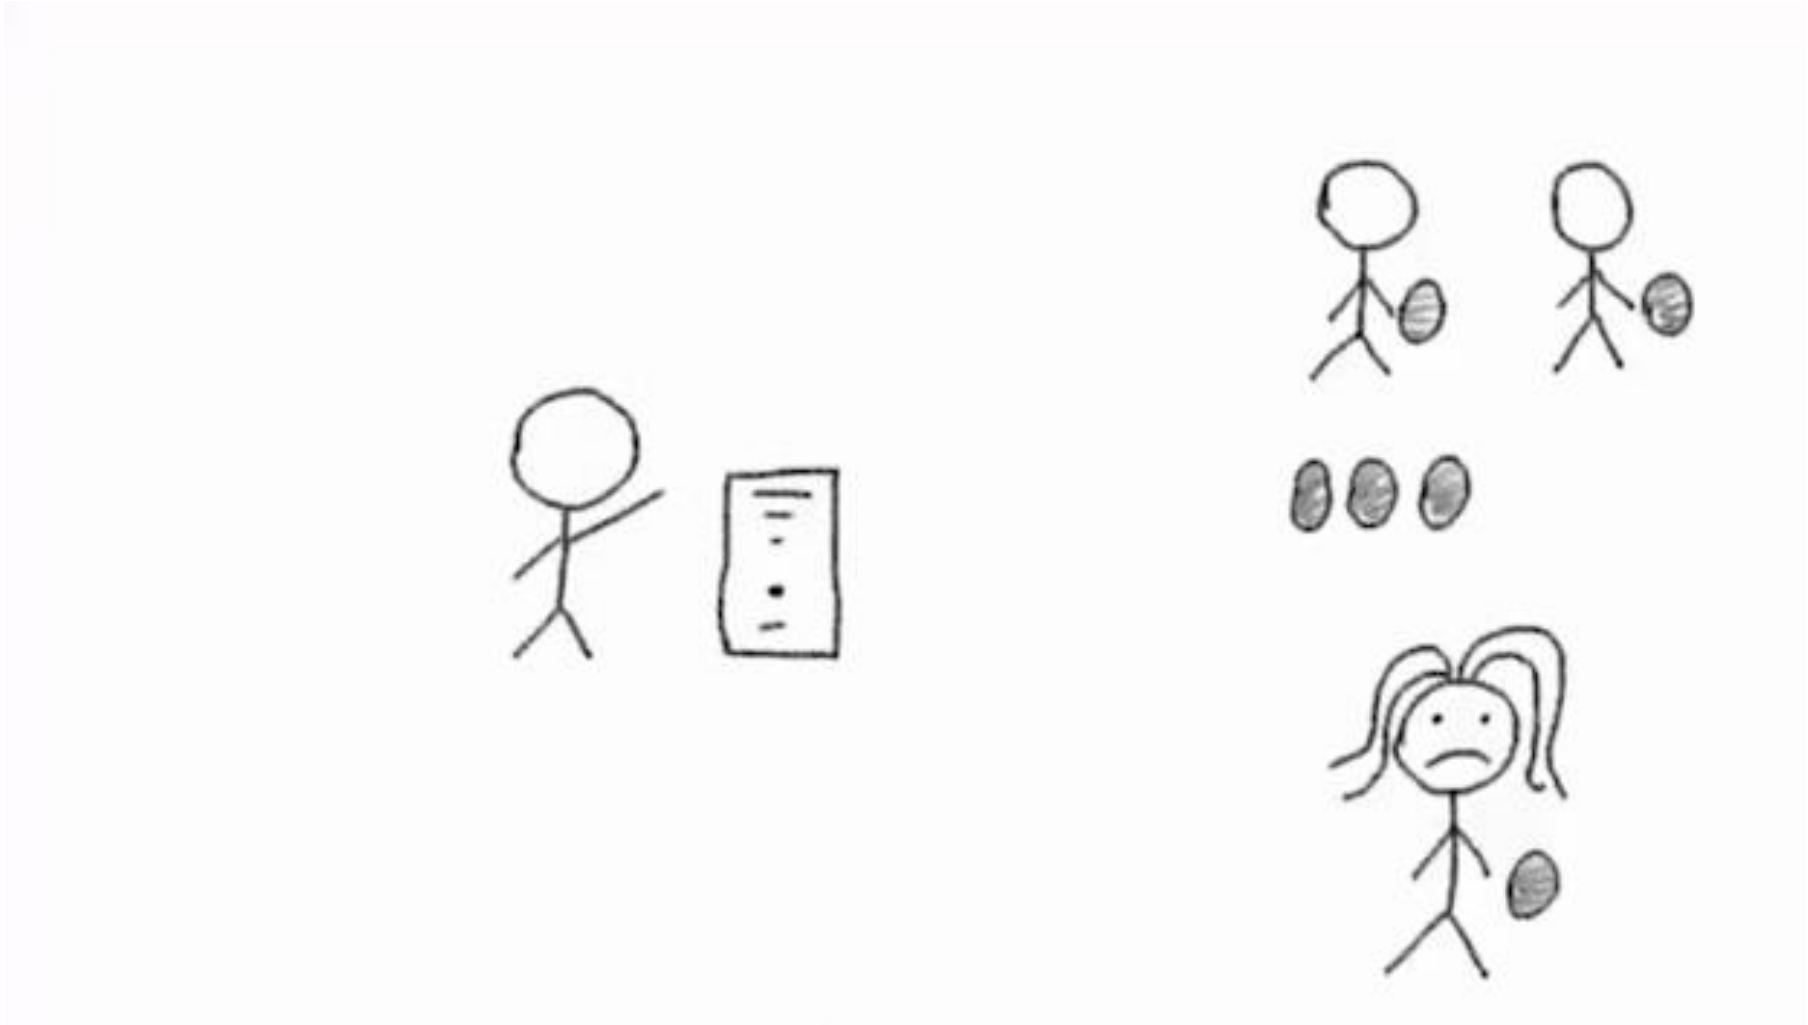




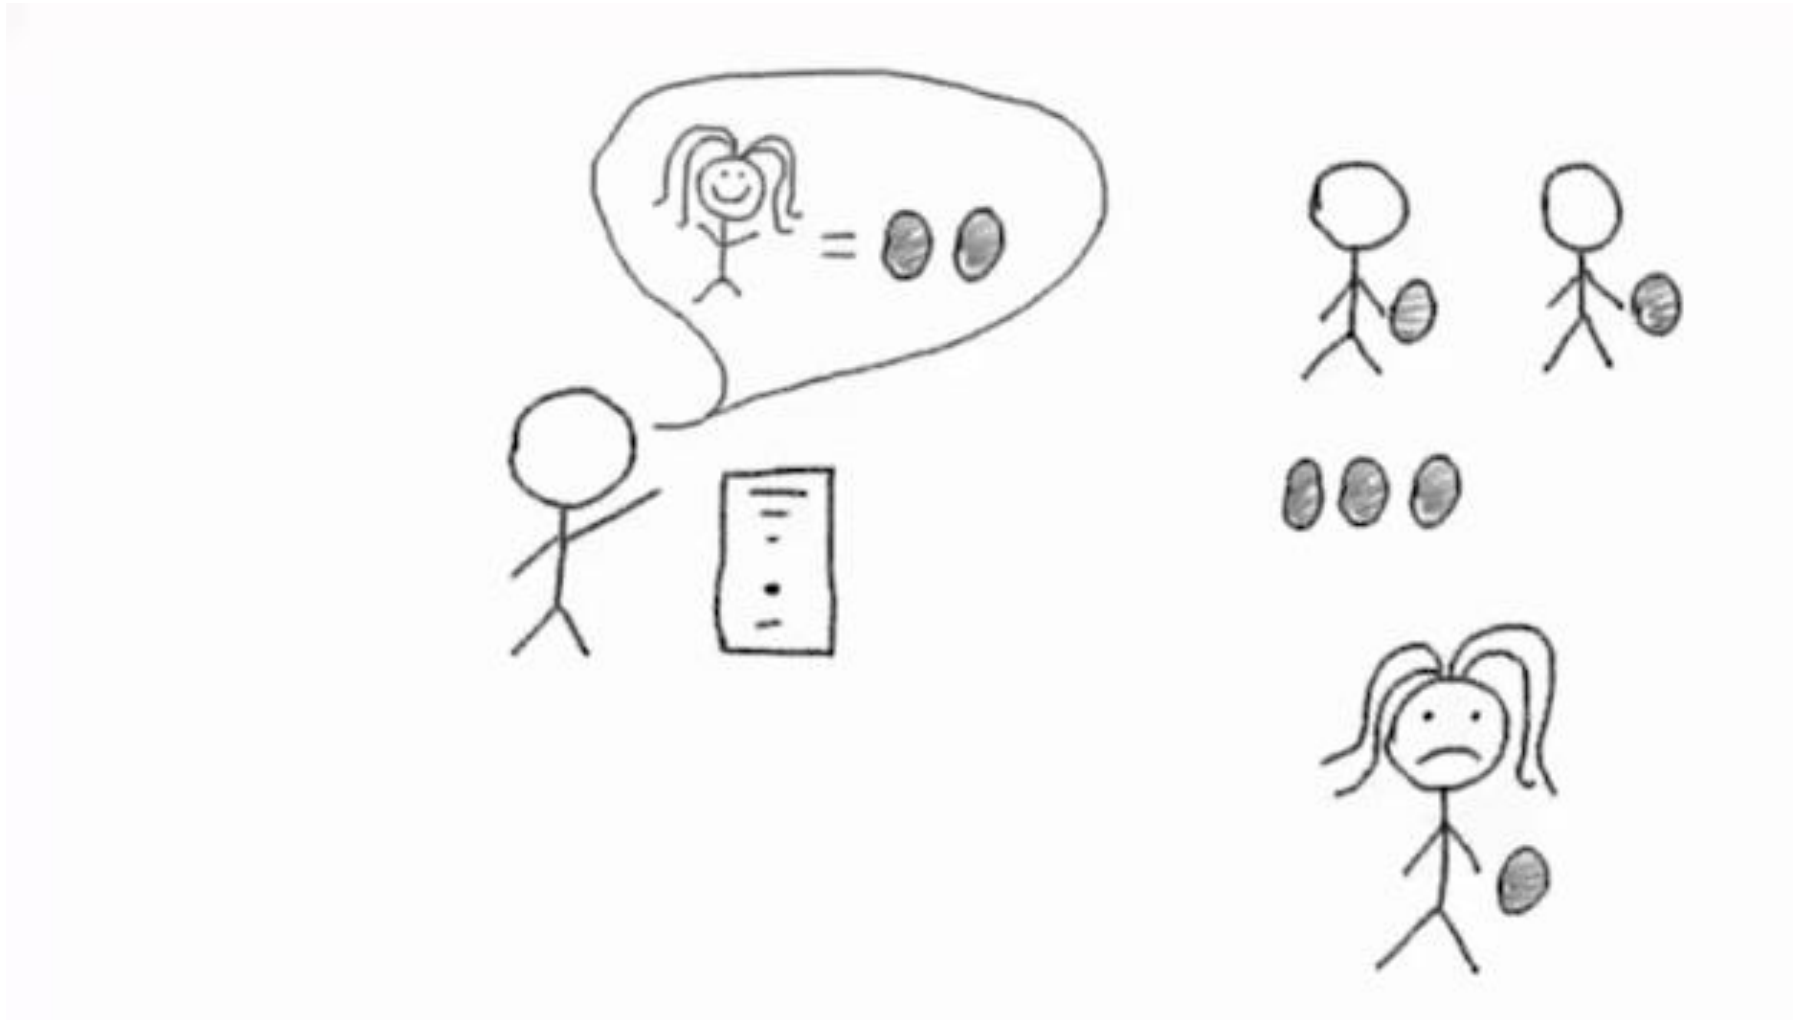
It is necessary to pass report!



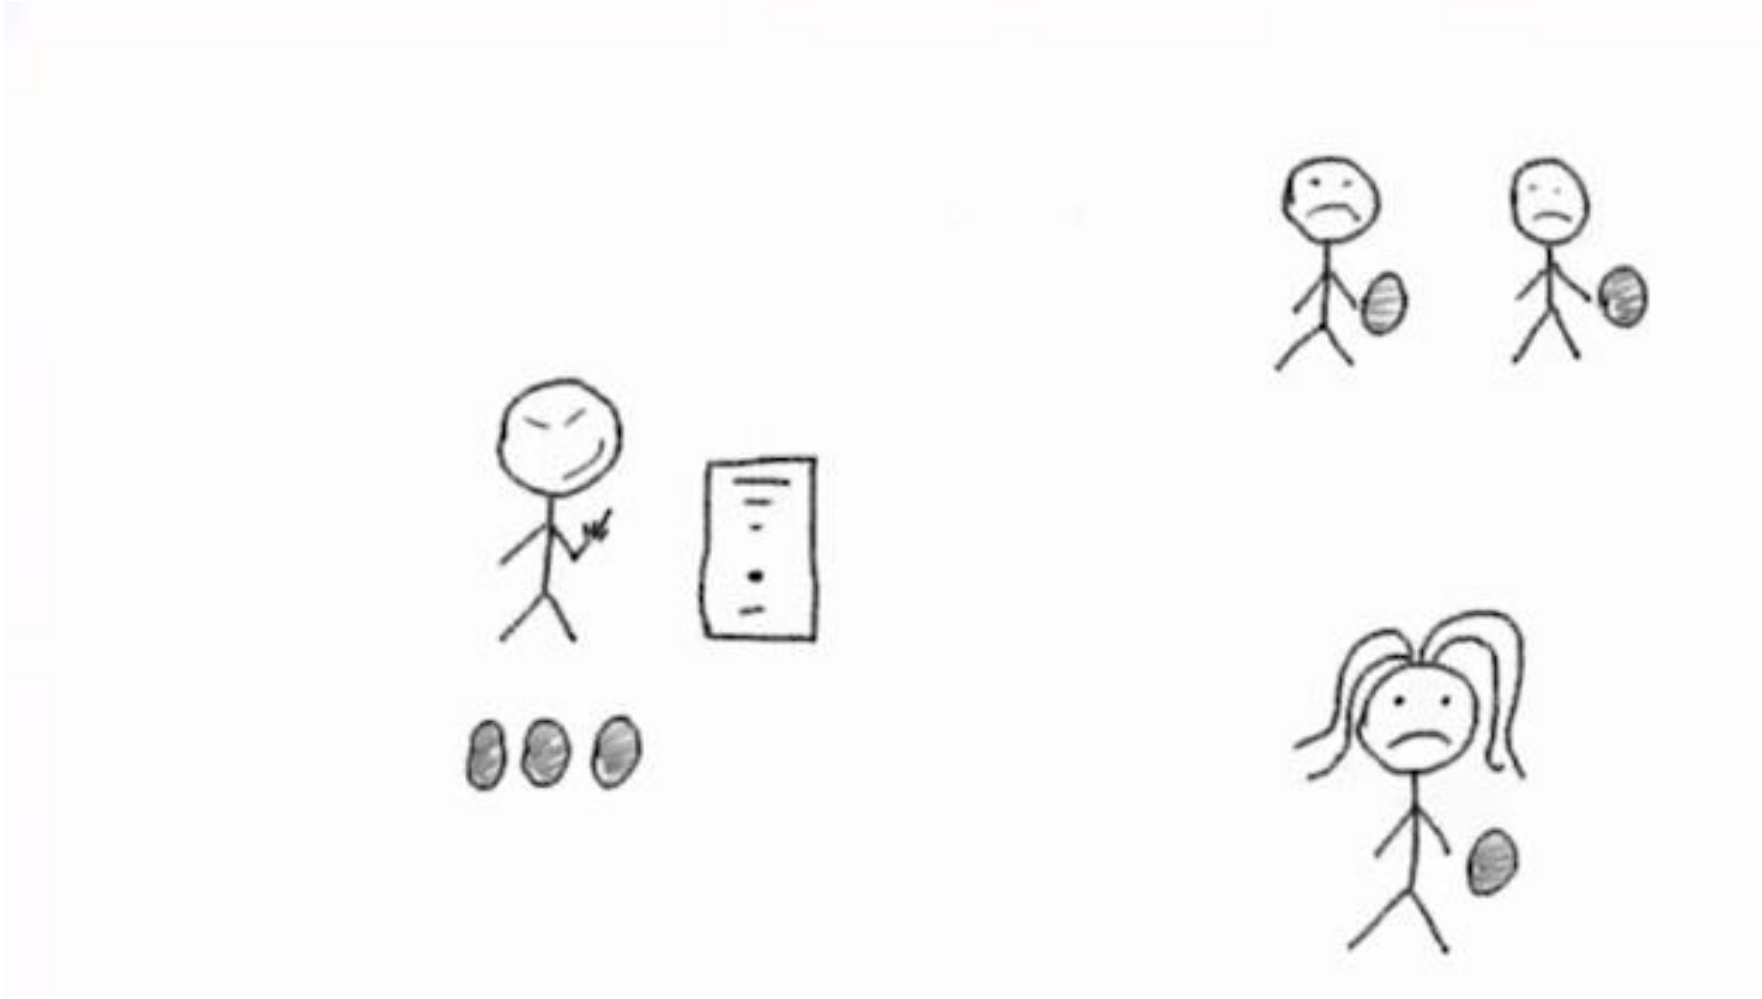
It is necessary to pass report!



It is necessary to pass report!



It is necessary to pass report!



It is necessary to pass report!

Every 4th fails!!!
